Product highlights
- ***20-station preset tuning***
  Provides fast, accurate tuning of up to 10 FM and 10 AM stations of your choice.
- ***Automatic tuning***
  Automatically searches for and tunes to the next station when the tuning button is pressed.
- ***10-key direct access tuning***
  Fast, convenient way to access your favourite station. Just key in the station's frequency and press Enter.
- ***Built-in quartz clock***
  High-precision clock with digital display lets you keep track of time.
- ***Extended playing time (tape playback)***
  *Innovative, power-saving technology extends battery playing time to 18 hours (2 'AA' batteries).**
- ***Blue reverse digital LCD***
  Uses innovative reverse LCD technology to give a trendy, eye-catching white-on-blue display.
- ***Full auto stop***
  Automatically shuts off the cassette deck at the end of playback to avoid overstretching the tape and to extend battery life.
- ***Detachable belt clip***
  For convenient, hands-free music on the move.
- ***High quality finish***
  Strong, durable casing, easy-to-operate controls and a very eye-catching design reflect the high quality of this product.
- ***Slim, compact design***
  High-performance, very compact product that's easy to hold and carry anywhere.
- ***Sport stereo headphones***

** With Philips Powerlife batteries*
*** Not meant to be immersed in or come into continous contact with water*
